

Bureau of Land Management, Interior

§ 3465.2-3

§ 3465.0-3 Authority.

These regulations are issued under the authority of the statutes listed in § 3400.0-3 of this title.

§ 3465.0-7 Applicability.

This subpart applies to leases and licenses to mine issued by the Bureau of Land Management for the development of Federal coal.

§ 3465.1 Use of surface.

(a) The operator shall use only that part of the surface area included in his lease or license to mine that has been included in an approved resource recovery and protection plan and mining permit (43 CFR 3482.1(b) and 30 CFR part 741).

(b) Separate leases, permits, or rights-of-way under the appropriate provisions in title 43 of the Code of Federal Regulations are required for the installation of power generation plants or commercial or industrial facilities on the lands in the lease or license to mine or for the use of mineral materials or timber from the land in the lease or license to mine.

(c) Other land uses under other authorities may be allowed on an area in a lease or license to mine provided there is no unreasonable conflict and that neither the mining operation nor the other use is jeopardized by the presence of the other.

§ 3465.2 Inspections and noncompliance.

§ 3465.2-1 Inspections.

The authorized officer or his/her authorized representative shall have the right to enter lands under a lease or license to mine to inspect without advance notice or a search warrant, upon presentation of appropriate credentials, to determine whether the activities and conditions are in compliance with the applicable laws, regulations, notices and orders, terms and conditions of leases, licenses to mine or per-

mits, and the requirements of the approved mining plan.

§ 3465.2-2 Discovery of noncompliance.

(a) Upon discovery of activities or conditions that are not in compliance with the terms of a lease or license to mine, or with an approved permit (30 CFR part 741), but that do not pose a serious and imminent danger to the public or to resources and environmental quality, the authorized officer shall refer the matter to the Surface Mining Officer for remedial action, or take remedial action on matters of exploration outside the permit area.

(b) Upon discovery of activities or conditions that are not in compliance with the terms of a lease, license to mine, or with an approved permit and that do pose a serious and imminent danger to the health and safety of the public or to resources and environmental quality, the authorized officer may order the immediate cessation of the activities or conditions provided that the Surface Mining Officer is immediately informed of the issuance of any such emergency cessation order.
